OPEN DAY - ROUND UP

The 2019 CEPA Open Day was an EPIC Day and our BEST yet !!

We welcomed TZR Reptiles & Wildlife for the first time with their amazing array of animals. Also our favorite ex Carlton Clydesdale 'Murphy' along with other FREE activities such as Farmer Darryl's Animal Nursery, Face Painting, Jumping Castle and much much more.

The weather was perfect and the visitors came in droves. A huge THANK YOU to the excellent staff, the enthusiastic and professional exhibitors, the Clubs and organisations that supported us (and their animals and birds) and importantly, the people that came along to take advantage of the big sale and to enjoy the day out.

Again, we offer a BIG thank you to all those suppliers and partners that supported the day. The Open Day also provides an opportunity for Clubs, Groups and Businesses associated with CEPA to build interest in their individual organisations, display and promote their goods and or activities to the general public and in doing so enhance the ongoing relationship with CEPA.

Lots of great feedback and lots of smiles on both sides of the event has made it a HUGE success, and that only encourages us to continue supporting the community by doing it again next year with the hope that it will be bigger and better. Thank you everyone.

Rob Bogumil, CEO - CEPA Co-operative Limited
