CORONA VIRUS (COVID-19) UPDATE

Dear Members & Customers

It is all becoming apparent to everyone that the current pandemic has changed the way we interact in our communities. To protect the on-going operation of CEPA Farm Supplies we have introduced further strategic planning.

You will start to see new faces serving you in the drive-through as we implement a change in customer service by introducing two teams. The 1st team will be working Monday, Tuesday & Wednesday and the 2nd team will be working Thursday, Friday & Saturday.

CEPA will increase it's hours of business on Saturday to 8.30am - 5.30pm to assist those customers needing extra time to make necessary purchases.

The hours of business will be Monday to Saturday from 8.30am - 5.30pm.

All customers are reminded that CEPA is conducting drive-through service only with no foot traffic access to any area at all.

To assist our staff in being able to keep traffic flowing you are asked to be aware of your requirements before entering the drive-through.

We are unable to allow browsing, as all customers **MUST stay in their cars** for service. If you have any queries on availability or price please ring us prior to coming in.

Our focus remains on the health and safety of our Staff and Customers and to enable our business to remain open.

We appreciate your support and understanding during the tough times ahead.

Stay safe and look after each other!
