include GST & valid at  
time of publication

## OPEN DAY - ROUND UP

The 2023 CEPA Open Day was an EPIC Day and our BEST yet!!

The event exceeded all of our expectations and has strengthened the Co-operative's position in the retail sector despite the past challenging years.

We welcomed back TZR Reptiles & Wildlife and Matty's Sanctuary who brought along a buffalo. There were also our other favourite FREE activities such as Farmer Darryl's Animal Nursery, Face Painting and local clubs & groups bringing along their gorgeous animals and much much more.

The visitors came in droves. A huge THANK YOU to the excellent staff, the enthusiastic and professional exhibitors, the Clubs and organisations that supported us (and their animals and birds) and importantly, the people that came along to take advantage of the big sale and to enjoy the day out.

Again, we offer a BIG thank you to all those suppliers and partners that supported the day. The Open Day also provides an opportunity for Clubs, Groups and Businesses associated with CEPA to build interest in their individual organisations, display and promote their goods and or activities to the general public and in doing so enhance the ongoing relationship with CEPA.

Lots of great feedback and lots of smiles on both sides of the event has made it a HUGE success, and that only encourages us to continue supporting the community by doing it again next year with the hope that it will be bigger and better. Thank you everyone.

For more specials and information, please sign up to our CEPA monthly Newsletter at [www.cepa.com.au](http://www.cepa.com.au)

*Rob Bogumil, CEO - CEPA Co-operative Limited*

**\$110.00**

2.5 Litre  
**\$185.00**

### Virbac

ANIMAL HEALTH

## FOUNDER GUARD

Clinically proven preventative supplement for feed induced laminitis and founder.

It has been formulated to ensure delivery of the active drug to the hind gut and proven to control the build up of lactic acid in the hind gut.

A small daily dose of the palatable granules allows high grain diets to be fed safely.

1kg  
**\$99.20**

## Kohnke's Own

THE FUTURE OF HORSE NUTRITION

### TRIM

Kohnke's Own TRIM is designed to help normalise the metabolism in 'good doer' horses and ponies who may be at risk of laminitis and founder.

TRIM can be used before the horse is at risk of laminitis or founder, but it can also quickly soften and reduce cresty necks and tail butt fat which are the common signs that body condition of a horse or pony is above the healthy range.

1.4kg  
**\$74.80**

4kg  
**\$181.90**

### Country Park Animal Herbs

### White Willow Bark

An excellent remedy for arthritic and rheumatic pain affecting joints such as hips and knees, and also the back. It relieves inflammation and swelling, improving mobility in aching, painful joints. Perfect for Laminitis.

1kg  
**\$42.00**

# FEED FOR HORSES IN LIGHT TO MODERATE WORK
